

CAREER DEVELOPMENT CENTER

NOW OFFERING EDUCATIONAL VIDEOS ON

1. Trends in Hiring:

Learn both the old and new best practices in looking for work and getting work you love. After watching this video reach out to the Career Center for more handouts and valuable information.

2. Books that Changed your life: **Giving your children an advantage through reading.** This video will inspire you to head to your local library and start sharing quality time together with the children in your life!

3. **Miracle Morning: Personal Leadership.** The most successful people in the world get up early and report being more productive, having increased mental clarity, reduced stress levels, better sleep and report accomplishing more.
